

The Student Council of the TU Chemnitz is looking for a representative of the student body for the scholarship commission of the IUZ.

The representative is to be proposed to the Rectorate Commission „Internationalization“ by 15.09.2018.

The tasks of the scholarship commission are defined in the regulations of the International University Centre of the Chemnitz University of Technology:

§6 Tasks of the Scholarship Committee, Decision Making

Within the scope of the IUZ, the scholarship commission decides on

1. the awarding of scholarships to international students and graduates, insofar as the decision is not incumbent on the sponsor,
2. the awarding of scholarships to German students and graduates, insofar as the decision is not incumbent on the funding agency,
3. the allocation of exchange places at partner universities within the framework of cooperation agreements to students registered at the Chemnitz University of Technology.

The Scholarships Committee takes its decisions by a majority of its voting members present. The chairman of the scholarship committee decides in the event of a tie.

Applications for the scholarship commission can be submitted informally until Thursday, 06.09.2018 at stura@tu-chemnitz.de
